You And I

Can Make It If We Try

In Dedication

It takes a great man to mold young adults from all the kids that come to him from Coombs and other junior high schools, but Mr. Jensen fills that position. For that reason we dedicate our book to him.

Mr. Jensen has been teaching at Banning High School for 13 years. He majors in Music and his minor is in Social Studies. He loves the kids and Banning High School. He also loves teaching. As for his future plans, he lives life from day to day.

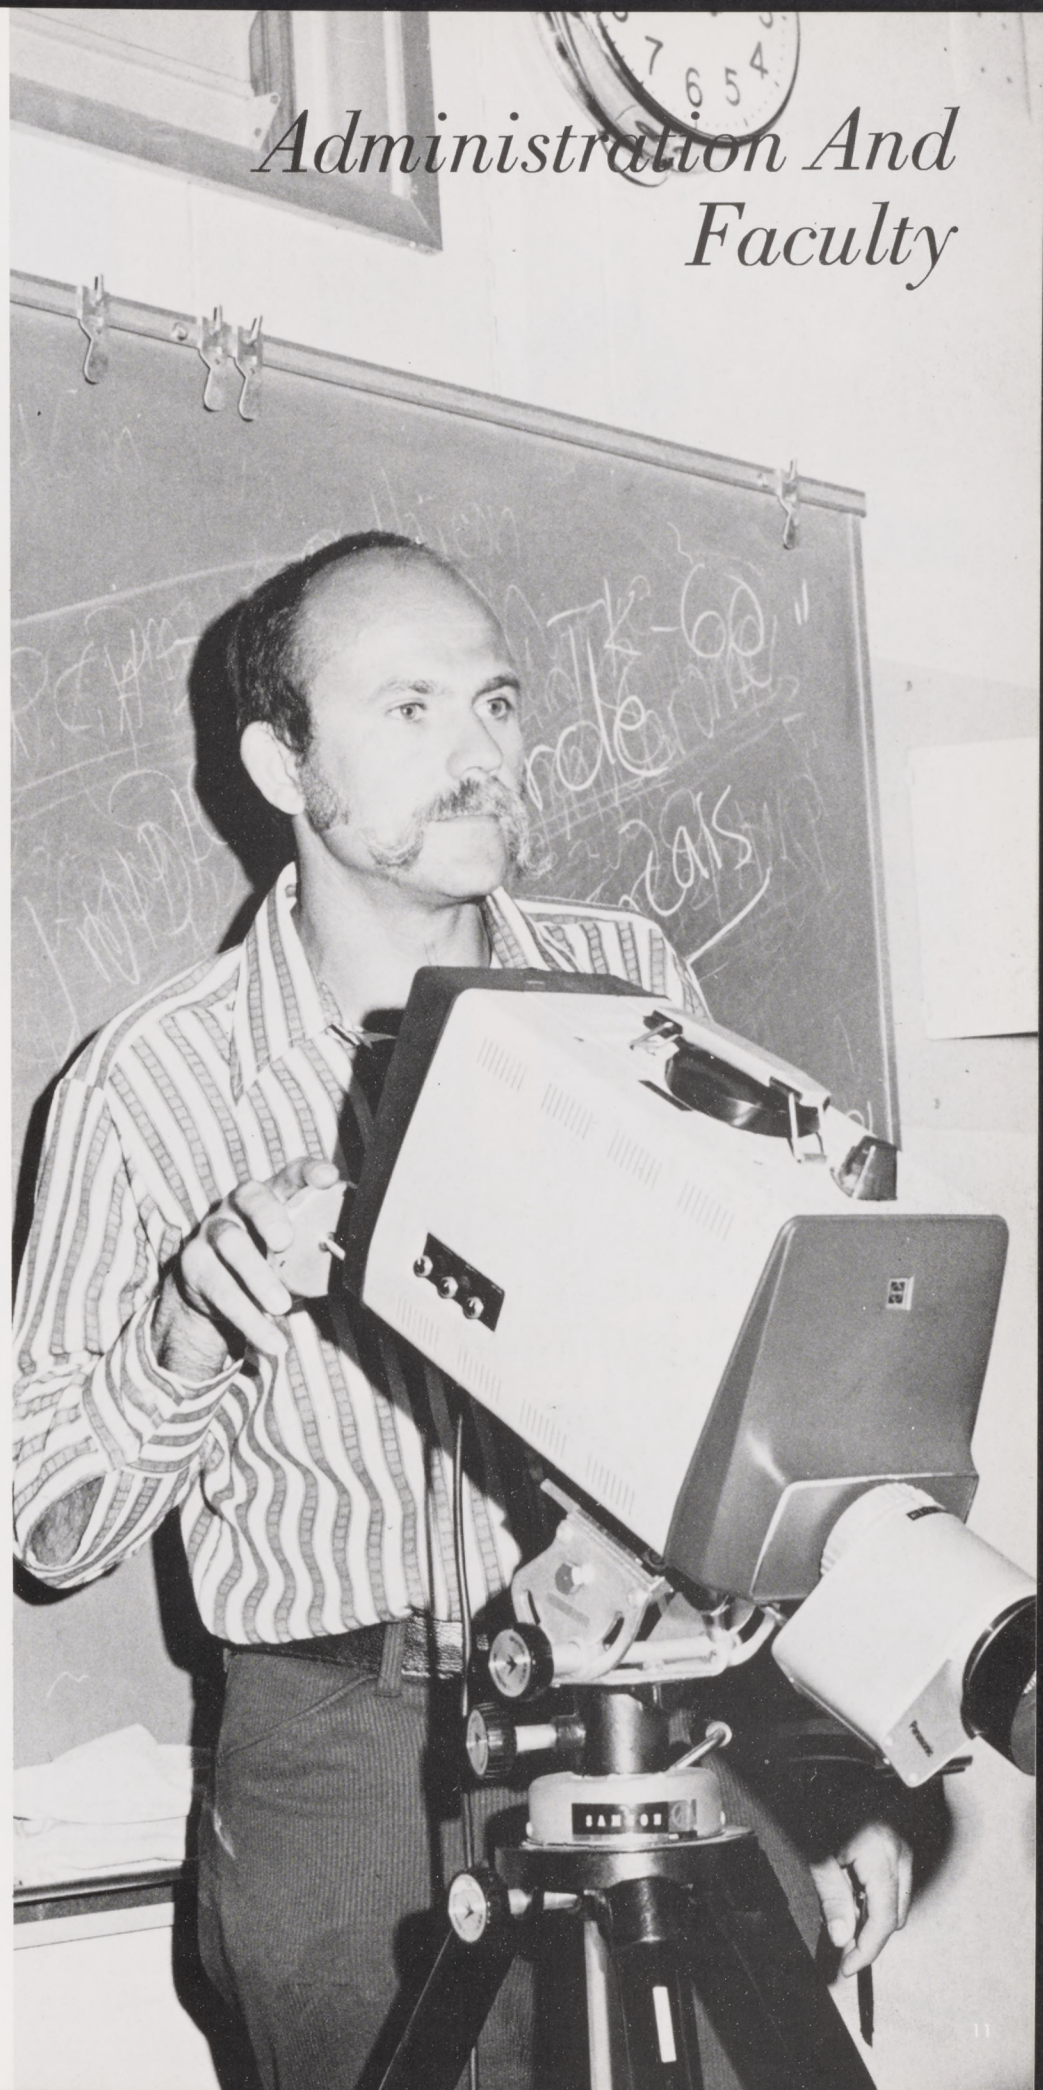

Mr. Jensen fills all of our hearts with the sound of music, trying day in and day out to make a sound come from us that will make us proud. When we think of him our thoughts turn to days of hard work and tears, but also days of fun and pride; Days that we will never forget.

Mr. Jensen will remain with us forever, no matter where we go or how we live our lives. He's a man that will stay with us, a special teacher and friend.

Reza Barforoush
A.F.S. Student From Iran

I joined A.F.S. in October and I got my application in August of 1973.

I was very excited about coming here and although I didn't have enough information of the city and people, it made me very happy. I remember many times I asked myself "How do people in the City look like."

I came here, I found many nice and friendly people in this nice city. I feel friendship better and I know myself better. I want to thank A.F.S., and also my parents who made it possible to get alot of experiences, and the people who provided me every bit of kindness. I never will forget Banning and the year that I have spent here.

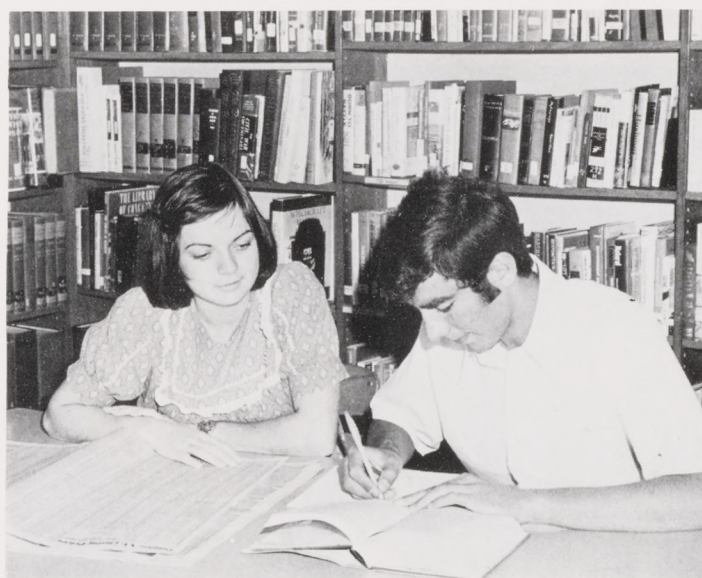

I come from Belgium which is a very cold country where it is raining almost every day. I have one sister who is married and one brother who is going now to the university. Next year I plan on going also to the university to become a criminologist.

Banning is very different from my hometown with the mountains, the snow, the desert, the palms . . . and the hot weather most of the time. I like the life here very much - the people are so nice and the students so friendly. I would like to thank A.F.S. that gave me the opportunity to spend here a year I will never forget.

Kevin Brown - ASB President

Steve Lesh - ASB Vice President

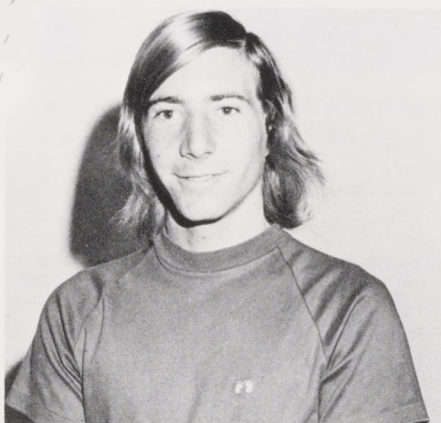

Magda Grose - ASB Secretary

This year we were proud to have these ASB members. Every year the ASB members get a little better, and one of the reasons for this is the man who has a lot to do with all of the meetings and activities at our school; this man is Mr. Rusk.

It isn't easy to become an ASB member, but if you want to have a wonderful school you have to work hard like these young people did.

He Is Not Dead

I cannot say, and will not say
That he is dead. He is just away.
With a cheery smile, and a wave of the hand,
He has wandered into an unknown land
And left us dreaming how very fair
It needs must be, since he lingers there.
And you - oh, you, who the wildest yearn
For an old-time step, and the glad return,
Think of him faring on, as dear
In the love of There as the love of Here.
Think of him still as the same. I say,
He is not dead - he is just away.

In the next game, the Broncos showed improvement. They traveled to Eagle Mountain and came out on top, 21-17. Both teams were evenly matched in size, but the Bronco determination proved too much for the Eagles. "Bronco of the Week" award went to Randy Lakin.

The 1973 Banning High Varsity football team started off their season with 20 returning lettermen, a lot of experience, and the D.A.L. title.

The first game against Carlsbad was a tough game and showed the Broncos that they needed improvement, as they were defeated 13-12. "Bronco of the Week" was Tony Prior.

Having attempted to prepare for their opening D.A.L. game, the Broncos then came back to town to meet Rim of the World. Having played Rim in snow for the league title last year, the Broncos were eager to meet the Scots on a dry field. Being quicker, the Banning team romped to a seemingly easy victory over the Scots, 21-17. "Bronco of the Week" was Larry Strange.

Opening league with a strong showing, the Broncos then traveled to Perris for their 2nd league game. Playing not quite "up to par," the Broncos fell behind and trailed 14-0 at the half. In the second half the Broncos came out, fired up, and put on a great rally, but came out on the short end, 27-18. "Bronco of the Week" was quarterback Brian Paul.

Banning, coming home after a tough road game, was to play Yucca Valley and it was the Bronco homecoming. This game proved to be one of a potent offense and a stingy defense, both belonging to the Broncos. Yucca was no match for the powerful Broncos as they once more won their homecoming, 27-7. "Bronco of the Week" was Chuck Enriquez.

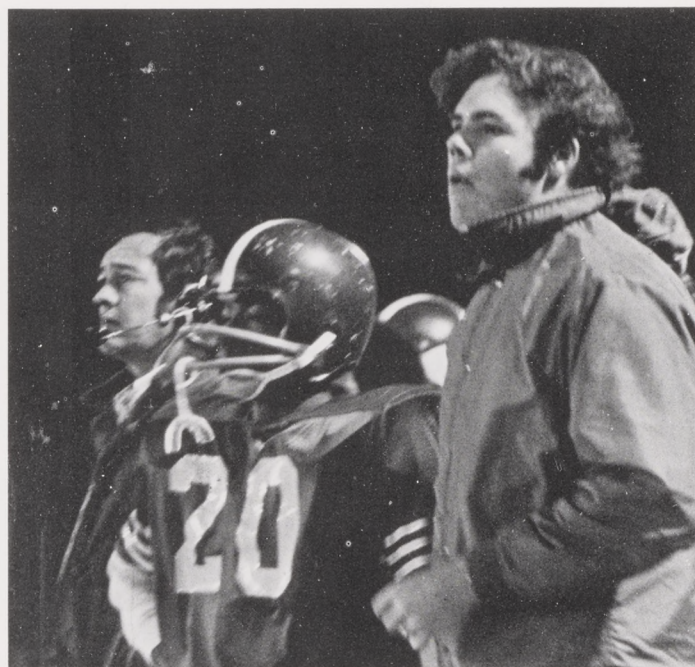

On the road again, the Broncos appeared to be on their way to another win. At the half, it was 14-0 (Banning) and it looked like an easy victory. But 29 Palms rallied for 20 quick points and the Bronco offense stalled. 29 Palms won 20-14 in a fine Banning effort. "Bronco of the Week" was Jim Herra.

Facing No. 1-rated Beaumont at home, the Broncos were ready to protect their "King of the Hill" crown. Out-weighted and undersized, the Broncos put up a valiant effort but went down in defeat, 33-20. "Bronco of the Week" was Mark Heslop.

In their last game before the home crowd, the Broncos battled with San Jac. Equal in size and speed, it looked like an even game. But the Tigers capitalized on Bronco mistakes and came out on top, 14-6. "Bronco of the Week" was Kevin Brown.

In the final outing of the year the Broncos faced Elsinore on their field. Elsinore had a poor record of 0-8 and proved to be no match, as Banning won 20-0. "Bronco of the Week" was Brad Brower.

Consisting of five returning lettermen, an enthusiastic B.H.S. Varsity Basketball team went through their pre-season with an excellent 5-3 win-loss record. The Broncos swept the Beaumont Tournament again this year, but did not win their own tournament.

In League, the Broncos opened their first round with a heart-breaking loss to Elsinore. Banning then trounced everyone they met, at home or away. At the end of this first round the Bronco win-loss record stood at 6-1.

Beginning of second round play saw our Varsity team in second place. The Broncos then rolled on to a 12-2 win-loss record, suffering their only loss to Elsinore. Finishing one of their finest league seasons, the team looked forward to C.I.F.

Broncos In C.I.F. Action

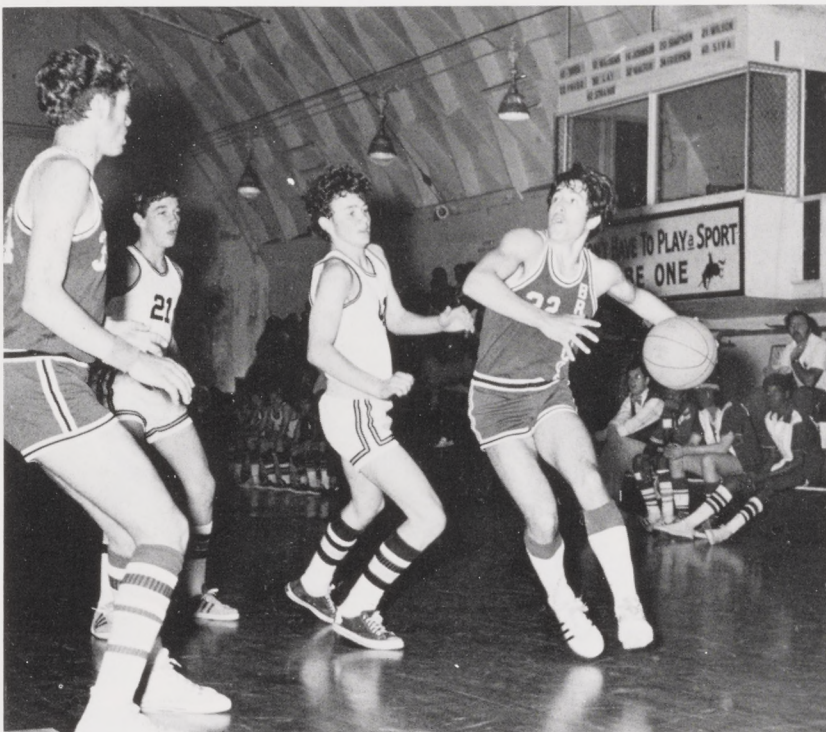

The Broncos began C.I.F. play with a strong opening performance by defeating Holtville, 62-51, on Holtville's own floor. Banning's next opponent was a strong El Toro club. Playing one of their best games of the year the Broncos managed to whip El Toro, 82-64. Moving to the third round, Banning was to face No. 1-rated Elsinore, who had twice defeated Banning in League play. Although they played superbly, the Broncos once more were defeated by Elsinore in overtime, 69-64. The 1974 Varsity Basketball season proved to be one of the finest ever played by a Bronco basketball team!

The 1974 Bronco Baseball team was under the direction of a new head coach, Joel Escobar. With only five returning lettermen, Coach Escobar attempted to develop skills in many inexperienced players in hopes of a D.A.L. championship. This year's team had new uniforms, as well as a new pitching machine.

Another unique aspect of this year's track team was the participation in events by female team members.

"When You Get a Good Job
Remember Where You Got It"

I wish to thank everyone who has helped to support our annual. I wish to extend my sincere thanks to Lane's and McCulloh's Studios for their time and long hours; without them we would not have the majority of our pictures. I would also like to express appreciation to Steve Meyers for taking our snow pictures and to Mrs. Dischinger for taking our CIF basketball pictures. Last, but not least, I want to sincerely thank my advisor, Miss Colgrove, and my staff, who have worked so hard to make our book the best ever.
